

400030

4000K PAVO Diecast Round Bulkhead

Pavo IP65 Diecast Round Bulkhead is a robust 22W LED luminaire built to perform reliably in both indoor and outdoor applications such as walkways, stairwells, and building perimeters. It features a robust die-cast aluminium body with a UV-protected polyester powder-coated finish for superior corrosion resistance and long-lasting reliability. Equipped with high-quality LED chips and driver, it delivers efficient, consistent illumination ideal for building facades, walkways, and general exterior lighting. Optional emergency and plug-and-play microwave sensor versions are available.

FEATURES

- Durable die-cast aluminium body
- 5 Year Warranty
- IP65 rated
- IK08 rated
- ENEC approved driver
- Optional emergency and plug and play sensor versions
